Every day, The Gateway Family YMCA gives our community the support it needs to learn, grow and thrive. From advocacy to food security, disease prevention to athletics, football to dance classes, everything we do helps strengthen our neighborhood and the people who live here.

But keeping our community great is a full-time job. Every day, our community faces new challenges that create a greater need for the work we do. And we need your help to do it. Your gift can help our community and everyone in it shine.

For a better you. For a better community. For a better country.

GETTING BETTER EVERY DAY

Together, we take on the challenges that shape our community's future. From tackling the achievement gap to teaching healthy habits for a lifetime or giving people the chance to strengthen our community through volunteering, everything the Y does is in service of building a better us. Every day, our community faces new challenges that create a greater need for the work we do. YMCA donors, volunteers, members and partners like you make the difference. Your gift can help our community and everyone in it shine.

When you donate to The Gateway Family YMCA, you make our community better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, staff and supporters demonstrate the power of what we can achieve by giving back together.
