

THE GATEWAY FAMILY YMCA

DECEMBER 2021

WARMEST WISHES

FOR HEALTH & HAPPINESS THIS HOLIDAY SEASON & NEW YEAR

As we come to the conclusion of 2021, we are humbled by examples of our members, residents and community coming together to uplift and support each other during this most difficult time.

We prepare to enter 2022 with renewed hope and excitement for the opportunities to come. Looking back at all we have accomplished this past year, despite the challenges our community has faced, we are proud to serve and support all.

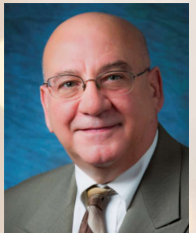

The Gateway Family YMCA has served the communities surrounding Northern Middlesex and Eastern Union County for 121 years, providing a vital support system and creating a future that everyone deserves.

Every evening, 300 individuals, families and veterans call the Y home. Every month, thousands of members and community participants visit our Y branches and participate in virtual programs.

We have worked tirelessly to provide nourishment for those facing food insecurity, to provide support for those facing social isolation, to provide child care for essential workers and their families, to provide chronic disease management programs for our community, and to provide socialization, support and lifesaving skills to youth in our sports, swimming and enrichment programs.

It goes without saying, that this year has presented unique challenges, and we are proud to say that our community has come together in new and unique ways.

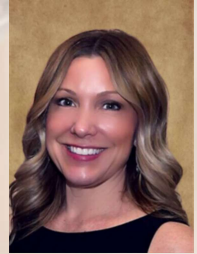

“We can't thank you enough for being part of our cause. It is only because of your support that we were able to see so many opportunities come to life in 2021.”
