

# GIVE FOR A BETTER US

At The Gateway Family YMCA, we take immense pride in our work to strengthen communities and help all of us be our best selves. We provide a place to play, to learn, to be healthy, to eat well and to give back. We give parents childcare, young adults job training, families and veterans a home, seniors a way to connect and children a safe place to go.

By bringing together people from different backgrounds, perspectives and generations, we ensure that we all have access to the opportunities, relationships and resources necessary to learn, grow and thrive. We believe that everyone—no matter who they are or where they are from—deserves the opportunity to reach their full potential.

Everything we do is in service of making sure people and communities thrive.

### Youth Development

Empowering young people to reach their full potential. All kids deserve the opportunity to be empowered to reach their full potential. We see every interaction with young people as an opportunity for learning and development all grounded in the Y's core values of caring, honesty, respect and responsibility.

### Healthy Living

Improving individual and community well-being. We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

### Social Responsibility

Providing support and inspiring action in our communities. With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by taking action and giving back together.
